A Prayer for the week ahead

God of love and hope,
you made the world and care for all creation,
but the world feels strange right now.
The news is full of stories about Coronavirus.
Some people are worried that they might get ill.
Others are anxious for their family and friends.
Be with them and help them to find peace.
We pray for the doctors and nurses and
scientists,
and all who are working to discover the right
medicines
to help those who are ill.
Thank you that even in these anxious times,
you are with us.
Help us to put our trust in you and keep us safe.
Amen.

Gospel Reading

John 1. 1-14

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through him, and without him not one thing came into being. What has come into being in him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it.

There was a man sent from God, whose name was John. He came as a witness to testify to the light, so that all might believe through him. He himself was not the light, but he came to testify to the light. The true light, which enlightens everyone, was coming into the world.

He was in the world, and the world came into being through him; yet the world did not know him. He came to what was his own, and his own people did not accept him. But to all who received him, who believed in his name, he gave power to become children of God, who were born, not of blood or of the will of the flesh or of the will of man, but of God. And the Word became flesh and lived among us, and we have seen his glory, the glory as of a father's only son, full of grace and truth.

St Cuthbert's APCM is to be held in Church,

OCTOBER 4TH HARVEST—food bank donations please and if you can take a photo of your gift and send to Rev Laura for the Harvest offering live on YouTube service

JOYTOBER! -

What if we invented **Joytober**?! I've been reading about joy and how it's choice we make, something we cultivate in our lives, and we often have a lot to be thankful for, and can really bring joy in our lives by being more thankful. In October I'm going to share 31 'thank' prompts - a sentence for you to complete - either in your head, online in the comments on Facebook or together with your family or even on Instagram and as we go through the month. October for many families can be hard as they look at the year we have had so far and begin the march towards Advent and Christmas but instead of dread, we'll be cultivating JOY! How about it? Are you in? I'll be hosting #joyoctoberstcuthberts on Facebook and Instagram -Send in your pictures of Joyful things through out the month and we will put them together for a large Activity picture online. And do post them too on both Facebook and Instagram using the hashtags above or by putting your sentences or pictures in the comments box each day.

Toodle@4pm - Toodles is St Cuthberts Live Toddler Church Group and runs at 4pm every Sunday. puppets, Songs, craft, stories it's suitable for those 0-6 yr s old. We also have a Facebook messenger group/ and Whats App group so that we can talk about faith/ or take pictures of our young ones enjoying the fun (only displayed with permission). It's advisable that baptism families engage with this during the lockdown period allowing the young ones to do church in a fun interactive way. Contact Rev Laura to join the group/s but you can watch Toodles live on our Dedicated YouTube channel (allcuthbert) at 4 pm each Sunday.
